**DECLARATION UNDER 37 C.F.R. §1.132**

1. I, Chong-Oh Kim, is a co-inventor and the 1<sup>st</sup> inventor named in the above-referenced patent application.
2. It is my understanding that all claims of the present invention are same with the literature of Huang *et al.* ("Preparation of nanometric Cu<sub>x</sub>Fe<sub>1-x</sub>O Fe<sub>2</sub>O<sub>3</sub> for treatment of tumor", Journal of Applied Physics, Vol. 93, No. 10, May 15, 2003, pp. 8444-8446) or motivated thereof. One of co-authors of the identified literature (i.e. Huiping Shao) is not a co-inventor of the subject matter claimed in the above-referenced application in deed, and merely worked under the supervision and direction of the inventors.
3. I hereby declare that all statements made herein of our own knowledge

are true and that all statement made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
